Exhibit Rules and Regulations

Definition
The words “Exhibit Management” as used herein refer to the American Astronomical Society (AAS).

Arrangement of Exhibits
All exhibits must be arranged without obstructing the general view or hiding other exhibits. Backgrounds (including signs) must be no more than eight feet in height. Material extending into the exhibit area by more than three feet from the back wall cannot exceed three feet in height. No partitions other than the side rails will be allowed, unless specifically approved by Exhibit Management. Exposed unfinished sides of exhibit backgrounds must be draped to present an attractive appearance. Exhibit Management may (at the exhibitor’s expense) direct revisions of any exhibit that does not comply with the above guidelines. Exhibit booths may only be used in a straight line as it appears on the floor plan. Exhibitors wishing to exceed the height limit may do so in an island configuration.

Location/Layout of Exhibits
At all times, Exhibit Management reserves the right to alter the location and/or layout of the exhibits in the best interests of the overall exhibition and meeting.

Installation/Dismantling
Exhibits must be completely installed by 7:00 pm on Sunday, 3 June 2018. Exhibit Management reserves the right to re-assign any space not installed at that time. No packing or dismantling of exhibits will be permitted prior to the official closing of the exhibition, and there will be a $500 fine for any exhibitor dismantling prior to the closing of the show.

Official Service Contractor
Arata Expositions, Inc. is the official service contractor. The contact is Christine Dietz, 301-921-0800. Please contact her for pricing information. Exhibit Kits and other important information will be sent to the primary exhibit contact listed on the AAS exhibit booth reservation form.

Occupancy of Booths
All booths should be staffed during the advertised show hours.

General Conduct of Exhibitors
All materials and activities must be confined to the limits of the exhibit booth(s) and may not impede traffic or interfere with other exhibits. Furthermore, all of the following practices are expressly prohibited: the promotion of products or services other than the exhibitor’s, excessive noise that would interfere with other exhibitors, the storage or use of flammable or explosive materials (or any substance prohibited by local laws or insurance carriers), the operation of x-ray equipment, the soliciting of participation in surveys or any other harassment of attendees, the use of live animals, the solicitation of business by anyone other than the representatives of exhibiting organizations, and the publicizing or conducting of any activities that would attract attendees away from the exhibition during exhibit hours.

Rejection & Penalties
Exhibit Management reserves the right to refuse any applicant for exhibit space, as well as the right to restrict or evict any exhibit that, in the opinion of Exhibit Management, detracts from the general character of the exhibition. This reservation applies to displays, printed matter, promotional materials, noise, personal conduct, and method of operation. In the event of such restrictions or eviction, Exhibit Management will not be liable for any refunds or other exhibit expenses.
Insurance
Exhibitors are urged to take out a portal-to-portal rider on their own insurance policy, usually available at a nominal cost, to protect against loss through theft, fire, damage, etc. Exhibitors are responsible for their equipment and property. The exhibit area will be monitored and secured, but AAS does not guarantee nor protect the exhibitor against loss of any kind. Each party agrees to be responsible for its own property through insurance or self-insurance; exhibitors shall hold harmless AAS for any and all damage caused by theft and those perils normally covered by fire and extended coverage policy.

Liability
The exhibitor agrees to assume all responsibilities for any damage to the exhibit booth area. The exhibitor also expressly indemnifies and holds harmless AAS, the show’s official service contractor, and any other agents of Exhibit Management from any and all liability that may ensue from accidents, injuries, damage by fire, loss or theft of property, or any other cause the exhibit booth area. Security guards will be provided; however, the exhibitor retains sole responsibility for his/her own exhibit materials. In the event that the exhibition is canceled, the liability of Exhibit Management shall be limited to the monies paid by the exhibitor as exhibit booth rental, less a proportionate share of all expenses incurred by Exhibit Management for the exhibition.

Subletting of Space
No exhibitor shall assign, sublet, or apportion the whole or any part of the space allotted without the knowledge and written consent of Exhibit Management.

Payment Terms
Only checks, money orders and credit cards are accepted. Exhibit Fees should be made payable to the American Astronomical Society, 1667 K Street NW Suite 800, Washington, DC 20006.
